BML Munjal University (BMU) always fosters the best industry-academia expediential learning process. The University encourages to adopt most contemporary, flexible, competent curriculum across all programmes. With this objective, a modus operandi has been instituted to collect feedback from our Recruiters and Alumni who have supported our university in many ways, like to build up most industry ready curricula, Industry live projects, Internships, establishing COEs, Industry guest lectures etc. Recently, BMU has undergone a feedback survey for Recruiters and following actions are taken for further improvement.

Recruiter and Alumni Feedback and Action Taken Report

Sl. No.	Feedback	Action Taken
1	Technical skills as per job requirements	We have organized Company specific training to all our students for enhance success ratio. We have also called many industry experts to deliver new age technologies and reduce the knowledge gaps which has already increased the Avg & Median CTC of entire University (both E-School & B-Schools)
2	Accountability: Punctual in attending work and honor commitment to meet deadlines	We have instituted robust CGDC policy to institute discipline among students. Also organized many soft skills sessions like resume building, posture, gesture, Dress code, behavioral and professional etiquette.
3	Competency level	To enhance the core competency level, we conducted many industry webinars, Hackathons, Workshops.
4	Learning capability	BMU believes in expediential learning, and we have introduced Practice School concepts since inception. We are also improvising on the quality of projects.
5	Communication and Attitude: Expresses verbal and written ideas effectively. Interacts well with others and resolves conflicts	We have developed Finish School training programme for all final & pre final years students for enhance the employability skills, like ELQ, Coding, different behavioral workshops, Mock interviews etc.
